

Canon Monument Company has served Waller County and surrounding areas of Southeastern Texas with the finest in monuments and service since 1985 with a simple mission:

To provide quality products and services that families can trust and value from one generation to the next.

We provide a full range of products and services. Our services include: **inscribing final dates** (dates of death) on monuments we have sold on-site in the cemetery, **restoring and cleaning** bronze and granite monuments and markers, **setting/installing** monuments that we have sold, and **leveling and straightening** monuments where foundations on monuments we have sold.

We also offer many accessories including: Porcelain portraits, benches, granite, marble & bronze vases, ground mount vases, temporary grave markers.

Available materials include: Granite, Marble, Bronze, River Rock, and Flagstone.

Please feel free to contact us for a free consultation and estimate for your memorial. We look forward to talking with you soon.
